## THE MONDAY SERIES: LIVING OUR VALUES

### **What Moves Us: Unitarian Universalist Theology Thandeka**

This structured 10 week program, designed by one of our most provocative UU theologians, provides a framework for Unitarian Universalists to engage in theological reflection, not as an intellectual exercise, but as a process of meaning-making that equips one for living in the world as a Unitarian Universalist person of faith. Each week we will explore the life experiences of both historic and contemporary Unitarian Universalist theologians, highlighting that which caused in them a change of heart, a new direction, new hope, and a deeper understanding of their own liberal faith. These workshops offer participants a chance to engage with and bring their personal experiences to bear on the very questions explored by each theologian in turn.

Course begins Monday September 20th and meets the third Monday of each month during the church year.

## SPECIAL WORKSHOPS:

### **Welcoming**

Join us for this special presentation of a GA, 2007, Sermon by the Rev Gail Geiseneheimer. We will serve pizza with donation, watch the video and conclude with a discussion. This is of special interest to our GBLT members and is a must see if you are interested in church growth.

Friday, September 24th

### **Completing Your Living Will**

Mark your calendar for this special workshop. Participants will learn about Indiana Advance Directives: what they are, who needs them and where to keep them. They will fill out their living will and, when appropriate, choose a health care representative. Documents will be finished and witnessed by workshop end. One session: November 13th  
Repeated: March 12th

### **Ongoing**

**Adult Discussion Group**—Come to the Chalice House for lively discussion of provocative issues. First, third and fifth Sundays at 8:45.

**Movies**—Usually on Friday evenings, watch for details.

## OUR SEARCH FOR TRUTH AND MEANING

### **The New UU Jonalu Johnstone**

This program addresses the questions of who we are and what we believe. It provides opportunities for folks to share what it means to be a Unitarian Universalist and gives newcomers a chance to examine their own personal stories in the light of our Unitarian Universalist faith tradition and heritage.

Thursdays, starting October 7th.

### **Cakes for the Queen of Heaven: In Ancient Times Shirley Ranck**

This five session curriculum introduces participants to ancient Goddesses, weaving their stories together with major concerns of women today. The themes of the Session Plans are: The Sacred Female, In the Name of the Mother and the Daughter, Womanpower, The First Turning—From Goddess to God, and Reclaiming Women's Heritage of Peace. The curriculum also includes five Visual Programs to accompany the sessions.

Thursdays, starting April 21th
